**In making this order, you are aware that:**

1. FirstMetroSec is only acting as your Broker in the outright purchase and sale of fixed income securities. You have conducted your own research and due diligence study of the risks of trading in fixed income securities and are aware that such instruments carry higher risks and returns than regular deposit products.
2. The order is considered valid until cancelled by you in writing. FirstMetroSec will post the order using the PDEX terminal at the prevailing price and will carry out the instruction on a BEST EFFORTS basis. All orders received after the cut-off time of 11:00AM shall be posted on the following business day.
3. All computations presented are INDICATIVE only and subject to change depending on market conditions (final pricing and available volume). Final computation will be provided by FirstMetroSec as soon as your order is executed.
4. All gains and losses shall be for your account. Trading or liquidating your investment prior to maturity shall expose you to market and price risks that may result to receiving returns less than the illustrated net effective yields.
5. Crediting of proceeds shall be effected only upon actual delivery of securities from the designated registry/custodian.
